

State and local level, including in Floyd County, to fulfill their own dreams and initiatives. And, of course, this work is never complete. Even after I retire from the Senate, I have no intention of retiring from the fight for a better, fairer, richer Iowa. I will always be profoundly grateful for the opportunity to serve the people of Iowa as their Senator.●

LAKE CITY, SOUTH DAKOTA

● Mr. JOHNSON of South Dakota. Madam President, today I rise to recognize the 100th anniversary of the founding of Lake City, SD. In 1885, Marshall County separated from Day County and became a separate entity. A man named Stout bought the Lake City area land and divided it into lots to be sold to Lake City settlers. When the railroad came through in 1914, residents voted to split from Eden City and create the township of Lake City in Marshall County. This close-knit community will celebrate its centennial July 4-5, 2014.

Part of a resilient community, the residents of Lake City have overcome several large fires. The largest of these broke out in 1949 and quickly spread to the local pool hall and then throughout the town. After this, and every other fire, the people of Lake City came together and rebuilt their town.

On Friday night the celebration will kick off with a street dance. Festivities will continue the following day with a parade, team watermelon-eating contest, a tug-of-war competition, and many other fun-filled activities. That evening, another street dance will bring the event to a close.

Today, this small town in Marshall County symbolizes what it means to be a South Dakota community. I am proud to honor the successes of Lake City and to offer my congratulations to the residents of the town on this historic milestone.●

EDEN, SOUTH DAKOTA

● Mr. THUNE. Mr. President, I wish to recognize Eden, SD. The town of Eden will be celebrating its centennial on June 27-29, 2014. Eden will host centennial events which include a tractor and car show, school reunion, 5K color run, beard contest, fireworks, and a veteran recognition ceremony.

Located in Marshall County and founded in 1914, Eden was named by its residents based on its beautiful setting. Eden has long been known as a community with deep ties to South Dakota's agriculture economy. Since its beginning 100 years ago, the community of Eden continues to serve as a strong example of South Dakota values and traditions.

I offer my congratulations to the citizens of Eden on its centennial and wish them continued prosperity in the years to come.●

LAKE CITY, SOUTH DAKOTA

● Mr. THUNE. Madam President, today I recognize Lake City, SD. The town of Lake City will be celebrating its centennial on July 4-5, 2014. Lake City will host centennial events which include a community history display, bake-off, line dancing, all-school gathering, various tournaments, and a parade.

Located in Marshall County, Lake City was founded in 1914. Lake City has long been known as the location for the annual Fort Sisseton Historical Festival, as well as being a community with deep ties to South Dakota's agriculture economy. Since its beginning 100 years ago, the community of Lake City continues to serve as a strong example of South Dakota values and traditions.

I offer my congratulations to the citizens of Lake City on its centennial and wish them continued prosperity in the years to come.●

WIBAUX COUNTY, MONTANA

● Mr. WALSH. Madam President, I wish to recognize Wibaux County in eastern Montana on the occasion of its 100th birthday. Founded by bold pioneers at the turn of the century, Wibaux is living proof of the strength of the American prairie spirit.

The county was founded in August of 1914 by Pierre Wibaux, a Frenchman who left the family textile business to try to tame the Wild West. When those like Wibaux first settled in eastern Montana, they brought with them a strong work ethic. That resilience became apparent when Wibaux's W-Bar Ranch grew to cover 70,000 acres in Wibaux County. The lively community attracted Theodore Roosevelt, whose famed ranch was nearby across the North Dakota border.

Since its founding, Wibaux County has undergone many changes. Farmers have experienced agricultural booms, and the local schools are known statewide for academic and athletic excellence. The discovery of oil in the region as well as the recent introduction of hydraulic fracking have transformed the local economy and brought the county into the international spotlight. Through it all, the people who call the county home share the core values of service, honesty, and the willingness to help a neighbor in need.

Perhaps the greatest quality of the county is its kind citizens who are always willing to lend a hand to a neighbor. The residents of Wibaux County still exhibit the same generosity, diligence, and drive that Pierre Wibaux and other pioneers brought to the area 100 years ago.

I congratulate Wibaux County on 100 wonderful years. We look forward to the next century being as exciting as the last.●
